DESTINATION SHOWCASE
VIP EXPERIENCES
PRODUCT LAUNCHES
WEDDINGS & CELEBRATIONS

ON THE EDGE

Step aboard our sailing catamaran purpose built to explore the Whitsundays. Discover the blue waters and white sands of the Whitsundays by day; swim, snorkel and relax onshore at Whitehaven Beach. In the evening, get out on the water to take in the Whitsundays sunset and the changing palette of the spectacular scenery.

Highlights:

- Large canopy area provides shade from the sun
- Trampoline nets provide ample space to relax
- Fully licensed bar onboard
- Tender available for beach transfers
- Onboard facilities include toilets and freshwater showers

On the Edge is suitable for sailing and snorkelling excursions. All standard charters include provisional catering. Options to upgrade and include beverage packages are also available.

 Vessel:
20m Sailing Catamaran

 Capacity:
58

OCEAN EXPLORER

Launched in 2022 Ocean Explorer is the newest vessel in our fleet with the flexibility and facilities to cater to a wide range of events. This hybrid vessel is fully equipped for day excursions to white sand beaches and fringing reef locations incorporating water activities with easy access to the water. A full suite of dining amenities allows for either dedicated lunch/dinner cruises or to complement day excursions.

Highlights:

- Large roof deck with ample seating
- Large cabin and covered rear deck on mid-level with BBQ and servery
- Spacious lower deck cabin with booth style seating, serving bar and TV screens
- Fully licensed bar onboard
- Rear deck access to water via hydraulic swim platform
- Fresh water showers and toilets

Ocean Explorer is suitable for day excursions incorporating water activities and evening dining cruises. All standard charters include provisional catering. Options to upgrade and include beverage packages are also available.

 Vessel:
27m Power Catamaran

 Capacity:
120

REEF EXPLORER

Join us onboard Reef Explorer to cruise through the Whitsundays National Park in comfort. Explore the regions highlights; swim, snorkel or dive and discover the vibrant marine life or transport your group to one of many islands to discover the white sand, ancient rainforest and local wildlife.

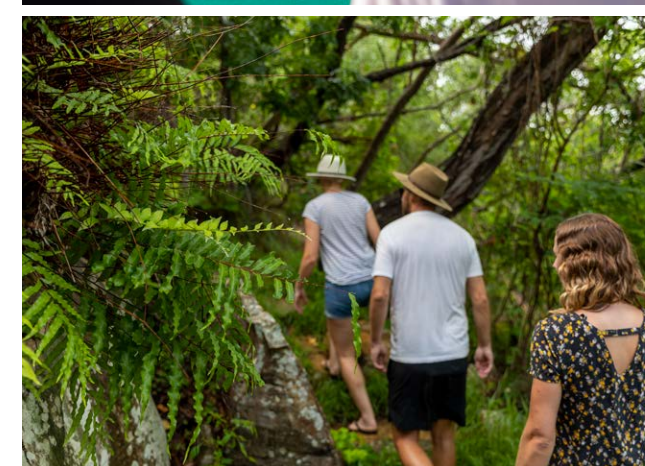

Highlights:

- Multiple indoor and outdoor spaces
- Large airconditioned cabins with ample seating
- Large viewing platforms and unobstructed picture windows allow for great visibility both inside and outside
- Fully licensed bar onboard
- Rear deck access to water via hydraulic swim platform
- Fresh water showers and toilets

Reef Explorer is suitable for half and full day excursions incorporating location visits and water activities. All standard charters include provisional catering. Options to upgrade and include beverage packages are also available.

 Vessel:
24m Power Catamaran

 Capacity:
100
